

## Some times at Forth

### Stormy night 1986

Our annexure after an horrific storm,  
see the toilet in the back corner  
metal sheeting hiding ripped canvas

### Christmas with my father 1983

Christmas in the awful annexure of our caravan,  
portable toilet behind blue curtain

### Malley 1985

Peigi feeding our orphaned lamb

**Our house and unit in Forth 2000**  
Bought by senator the Hon Nick Sherry
